

OK2SAY Hotline Up and Running

OK2SAY, a new hotline and student safety initiative available to Michigan students beginning in the 2014-2015 academic year, launched Tuesday, Sept. 2, 2014

OK2SAY enables students to confidentially report potential harm or criminal activities aimed at students, teachers, staff or other school employees. The program will operate as an early warning system in our schools to thwart tragedies before they occur. Created as a result of the Student Safety Act (183 PA 2013), OK2SAY's focus is on early intervention and prevention.

Students, teachers, parents, school workers, friends and neighbors can all submit tips, if they are aware of a threat in school. Tips can be submitted through the following ways:
